- SentoMaXX - İşareti ile belirtilen renkler SentoMaXX® İpeksi Mat® Sentetik Boya ürününde hazır renk olarak sunulmaktadır. Karteladaki tüm renkler baskı tekniği ve ortamındaki ışığa göre orijinal renklere farklılık gösterebilir. Renkler Momento Silan ürünü referans alınarak basılmıştır. Seçilen ürünün renk grubuna (RG) ve parlaklığına bağlı olarak renkler kartelaya göre farklılık gösterebilir. Yaşanabilecek rötüş problemlerini önlemek için öncelikle küçük bir alanda rötüş denemesinin yapılması, renk tonu farkının tespit edildiği renklere rötüşün uygulama yüzeyinde bir bütünlük sağlanması adına köşeden köşeye tüm duvarda yapılması gereklidir.
